

7:48 because her purpose was to put me behind
7:52 a steel door so that she could later go
7:54 to judge Jones and take my children from
7:57 me while the FBI just ghosted all
8:00 evidence of this from your courthouse
8:02 and judge Hagin or excuse me judge
8:04 Sheehan
8:06 you want to produce the Courthouse
8:08 Probate records for me I bet you can't I
8:10 bet you're trying to go find him and
8:12 you're like where are they because we
8:14 can't as like a courthouse we can't just
8:16 lock up citizens without records and you
8:20 can't find them because director of the
8:22 FBI ghosted them
8:24 director Ray of the FBI ghosted them
8:27 because he's interfering with our case
8:29 he's retaliating against me and my
8:31 Amicus Witness by ghosting a million
8:33 dollars from us
8:35 right
8:40 what's it take
8:41 what's it take your mother
8:43 so like
8:45 Miss Leonard it's Friday right it's
8:48 Friday I'm hoping your clients taking
8:50 some time think about forgiveness right
8:53 and I hope she elects forgiveness I hope
8:55 she does
8:56 hope she does because like man I don't
8:58 want a bankruptor I really don't I do
9:00 not have ill will towards Kathy I do not
9:02 have like despite just the heinousness
9:06 of the crimes that they committed
9:08 against me
9:13 Jesus said forgive and Allison
9:18 as the mother of my children and For the
9:21 Love of the woman that you used to be
9:26 I forgive you
9:29 if you simply complain about what you
9:32 did if you simply just like simply
9:36 complain about it
9:37 there will be forgiveness and salvation
9:39 for you you will not lose I will not

9:43 take the children from you to where you
9:45 never see them again dear I will not do
9:47 what to you what you did to me
9:50 okay like when we entered this we were
9:53 both suffering from PTSD because we were
9:55 feeding off each other okay like we were
9:58 just it was Perpetual bad energy right
10:02 because like
10:03 you were sick and like I was recovering
10:06 from it but still like under constant
10:08 barrage by you was not a healthy
10:10 environment right it's like I forgive
10:13 you
10:13 if you confess and complain that if you
10:17 do not we are proceeding to federal
10:18 court and like I will bankrupt your
10:21 mother and you'll be on the street you
10:24 and the children will be on the street
10:25 because like your honor and like I
10:27 recognize as a father's like what father
10:29 wants their child to be on the street
10:31 and our fathers don't want their
10:32 children to be on the street like you
10:34 know Easter was a bad day for both sides
10:36 okay like we always think of Easter from
10:38 Jesus's perspective and the great
10:40 sacrifice he did which Lord you did you
10:44 made an incredible sacrifice but like
10:46 very few people think of it from the all
10:48 father's perspective the father and the
10:50 sky haven't just like sit there and
10:52 watch his son hang on a cross when he
10:55 has the powers to just like amen
10:59 unilaterally with all supreme power and
11:01 light take like like take a son off the
11:04 cross on a charity division against the
11:06 power but like he can't because his son
11:08 is covered in sin and like God was
11:10 forced it is written God was forced to
11:13 turn his back on his only son for the
11:16 Salvation of the Kingdom right like I do
11:19 not want to destitute you and your
11:21 mother so that my children are on the
11:22 street but your lies will not like they

11:25 will not stand they will I will go as
11:27 far as it's needed and if it means that
11:29 [REDACTED] [REDACTED] have to spend some time on
11:30 the street like
11:32 that I'm really sorry that you as their
11:34 mother are putting them in that
11:36 situation but you have the rights and
11:37 responsibilities and I've been absolved
11:39 of it according to judge Jones's own
11:41 written statements the father is to have
11:44 no rights nor responsibility like I
11:47 don't have to feel guilty for that
11:49 according to judge Jones I don't have to
11:50 judge Jones has removed my
11:52 responsibilities of both completely so
11:54 like
11:56 just
11:57 this Leonard it's Friday we look forward
12:00 to explanations I don't get some
12:02 explanations today like expect can like
12:05 expect the content motions Monday
12:06 morning
12:07 have a great day your honor
